MEMORANDUM FOR: Director of Central Intelligence

THROUGH : Deputy Director for Administration

FROM : Chairman, Training Selection Board

SUBJECT : Request for Additional Representation at
the Naval War College and the Air War
College

AUG 1975

1. Action Requested: It is requested that Agency participation at the Naval War College and the Air War College be increased from one to two students per session beginning with the 1976-77 school year.

2. Background: During your tenure as Executive Director-Comptroller (1972) you directed the reduction of attendance at the War Colleges to one Agency representative. This has been our policy. The exception was the National War College to which we still send four representatives. At the most recent meeting of the Training Selection Board, the members voiced a strong interest in an additional slot at each of the Air, Army and Naval War Colleges and they commissioned me as Chairman to ask that you reconsider this matter. We know that both the Air and Naval War Colleges will entertain our nominating an additional representative.

3. Recommendation: Because of the greatly increased interest in training at this particular time in the Agency's history, I recommend that you approve this request. This would mean we would choose an additional candidate from the list of alternates for both the Air and Naval War Colleges for the academic year beginning August 1976.

Remarks:

I remain unconvinced that the year for one (more) student each is worth it in comparison with 3 month or so Senior Seminar, FAES, etc for a larger number.
